THE EAGLE 1963

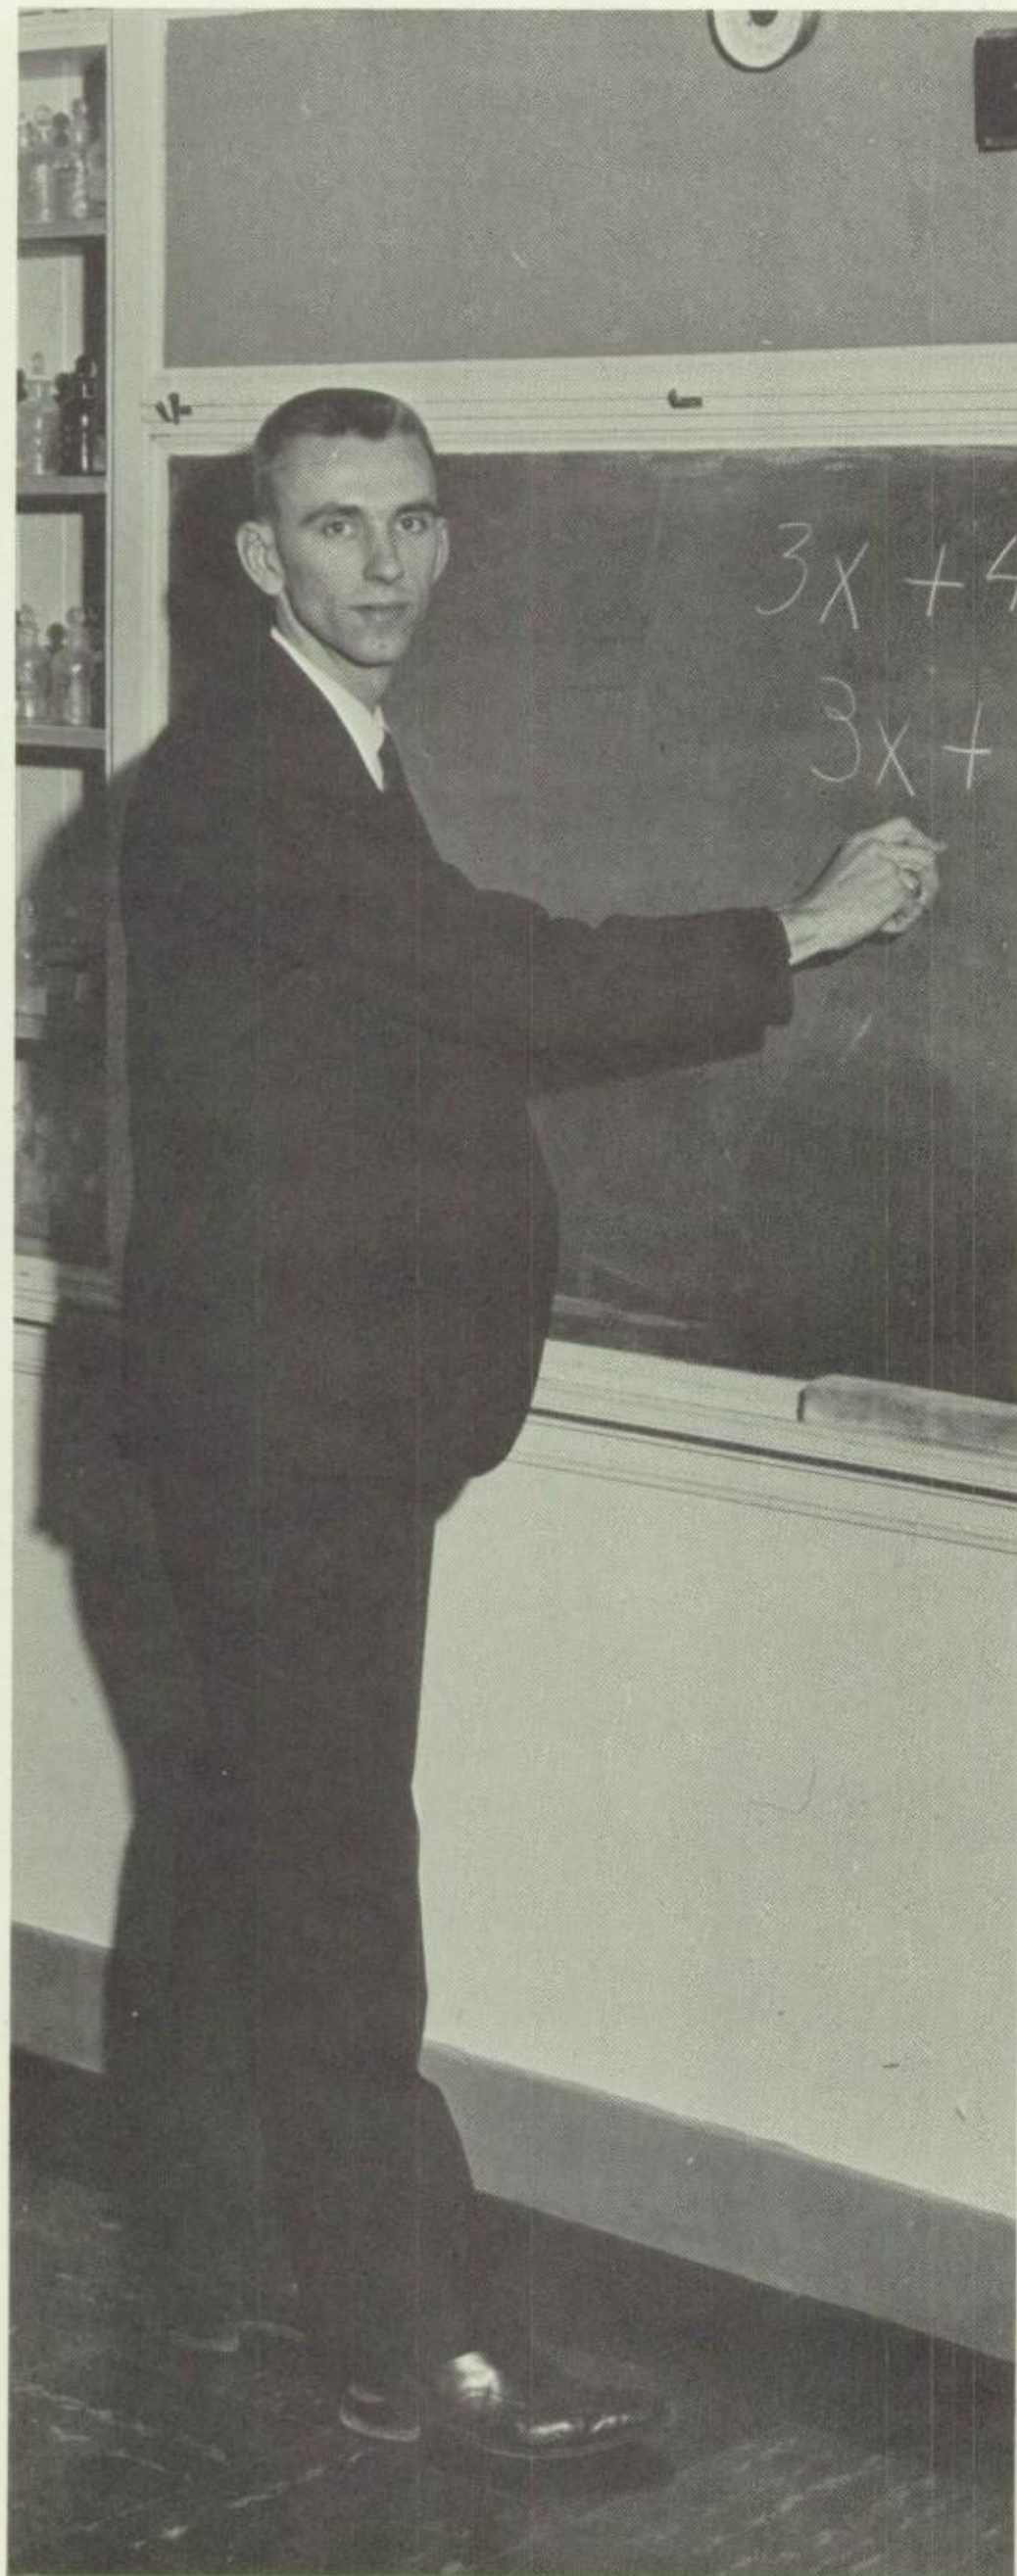

PRESENTED BY THE SENIOR CLASS OF
DUNLAP TOWNSHIP HIGH SCHOOL
DUNLAP, ILLINOIS
VOLUME XI

We, the Seniors, will soon be remembered only as the Class of 1963. Yet, we will always remember you, the group who have made these the most wonderful years we have experienced.

We'll remember things you never saw. We remember the sudden reality of high school life and the determined feeling with which we started our Freshman year and we continued into our following years. We've collected memories of four Homecomings, an unforgettable Junior Prom, and our class plays. We've had our days at the pep assemblies, the dance at the Bradley Student Center--now they're your songs, your dances, your parties, your school. We've given our loyalty, our tribute, our last respects--and now good-by.

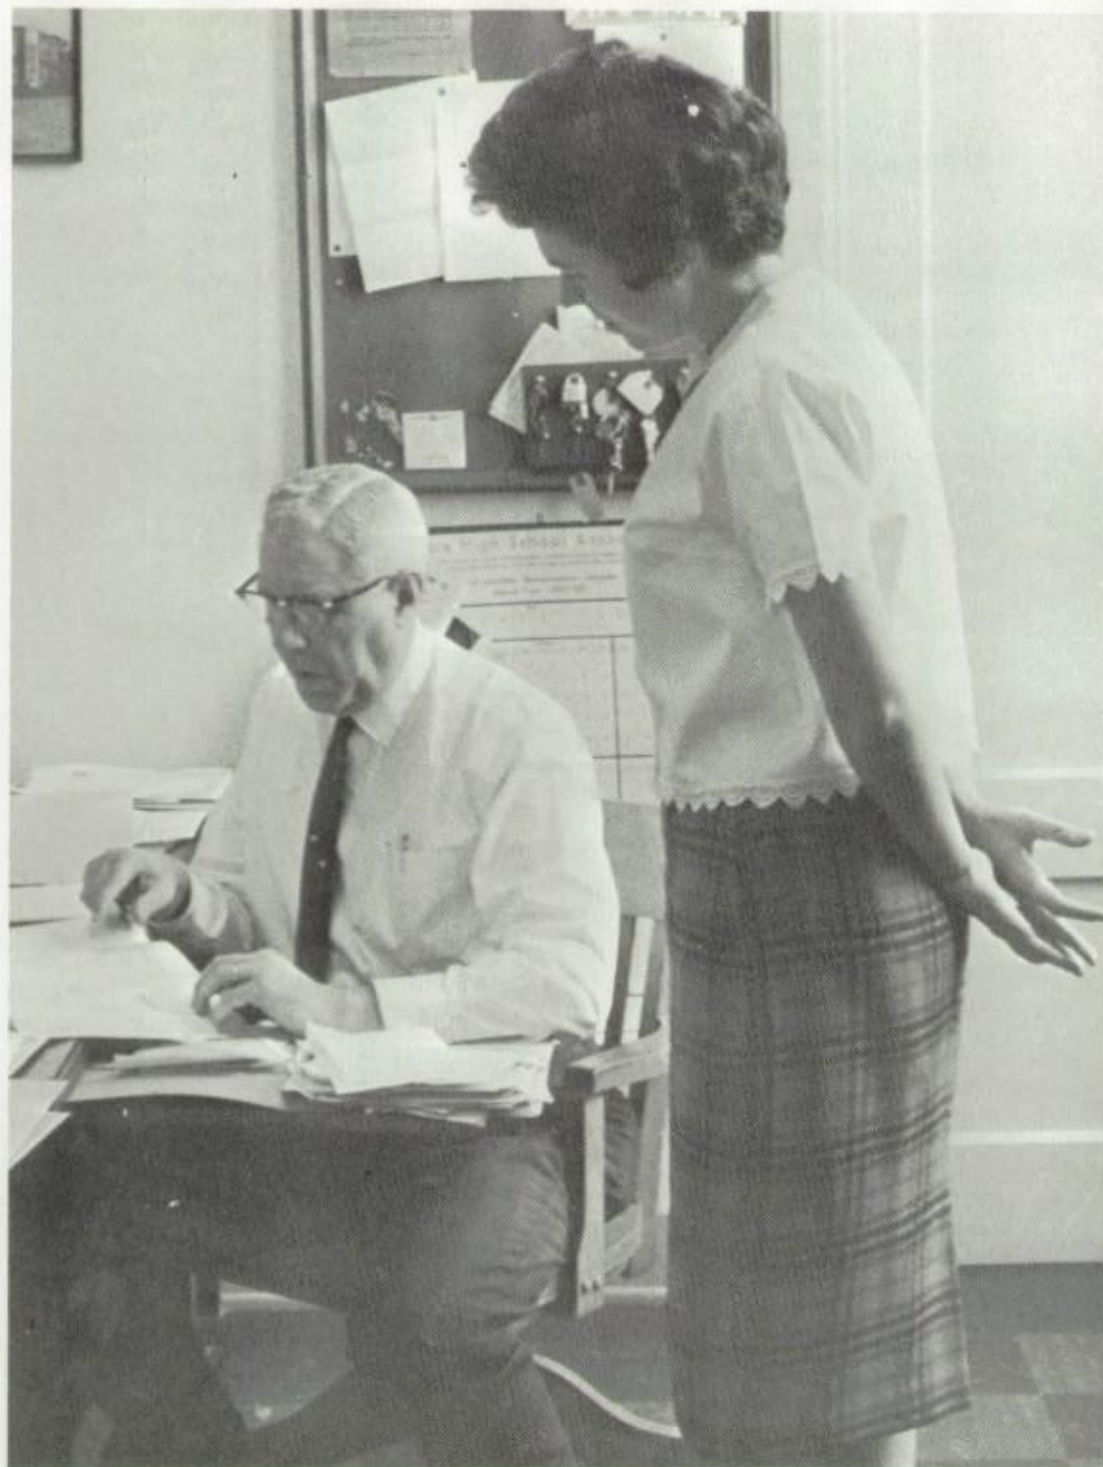

IN

DEDICATION

For the past three years of our schooling, a tall, quiet man has been a part of the Class of '63, and has guided us patiently through our trials and smiles. Thus, we the Senior Class of Dunlap High School wish to dedicate our final contribution, the 1963 Eagle, to our sponsor, Mr. Samuel C. Jones. In payment for his great benefactions, we can offer him only a humble and sincere "Thank you."

CLASS HISTORY

In August of 1959 a class of 49 freshmen entered Dunlap High School. The members of the class elected Karen Herrmann as President, Jack Sniff as Vice President, Sue Plattner as Secretary and Tom Cline as Treasurer. Our first float in the Homecoming parade was "Eagles Appetite Satisfied." Karen Herrmann was our first Homecoming queen candidate. And Jack Sniff our first King candidate. In the Spring of the year, four girls of our class were elected junior varsity cheerleaders. They were Janice Meeks, Linda Hicks, Pat Senti, and Sherry Conlee. In the Junior Carnival our stunt received second place.

When we returned to school in the fall of 1960 we elected Pat Senti as President, Tom Cline as Vice President, Lori Bundy as Secretary, and Jerry Downs as Treasurer. We were very proud of our third place float in the Homecoming parade. Pat Senti and Mike Watkins were our queen and king candidates. Sue Plattner, Karen Herrmann, Pat Senti, and Janice Meeks were elected varsity cheerleaders. Our class won first place in the stunt show of the Junior Carnival.

In the fall of 1961 we entered Dunlap High School as upperclassmen. We elected Jack Sniff, President; Tom Cline, Vice President; Janice Meeks, Secretary; and Marcia Ma Gava, Treasurer. Our float in the Homecoming was "Room at the Top for Dunlap." Our candidate for Homecoming Queen was Janice Meeks and Jack Sniff was our King candidate. The second

semester we elected new officers. They were Tom Cline, President; Karen Herrmann, Secretary; and Marcia MaGava, Treasurer. On April 6 our class play, "TAKE CARE OF MY LITTLE GIRL" gathered a record breaking crowd and was very successful. Our class sponsored the Junior Carnival "The Roaring Twenties" and won first on our stunt again. On the night of May 12 we presented a prom in honor of the Seniors intitled "Crystal Ball." Sue Plattner reigned as Queen in the beautifully decorated room in the Bradley Student Center. A green and white false ceiling gayly decorated the center crystal ball. The Gay Notes provided music for the dancing.

Our final year at D.H.S. began in the fall of 1962. The officers elected were Jerry Downs, President; Jim Romersburger, Vice President; Lynne Wilson, Secretary; and Tom Cline, Treasurer. Our float "The Panthers are Coming," won second place in the Homecoming parade. Lynne Wilson was our Queen candidate and Jim Carlile was elected King. On November 16 we presented "OLD DOC" as our Senior Play.

Our sponsors throughout our four years were: Mrs. Barbara Sullivan, Freshman year; Mr. Samuel Jones and Mrs. Helen Pierce, Sophomore and Junior years; and Mr. Robert Pardieck and Mr. Samuel Jones sponsored our Senior year.

This ends our school days at Dunlap High School. Our memories will linger on of our schools days forever.

Story: The year--2000 A.D.
The Scene--the annual class reunion

The alumni are just beginning to gather for the reunion. Dunlap has changed a bit from the place it used to be. D.H.S. now has 23 floors, and two-hundred ten rooms--of course, it still has only 210 students but facilities are more comfortable now.

The first to arrive is J. M. Romersberger in his limousine. He married a millionairess several years ago and is now owner of the YMCA--Young Millionaire's Cash Association.

From talking to Mike Watkins, it seems he is doing as well as old Jim. Mike is the director of the FBI. I really never realized how brave, daring and adventurous he was to assume the highest position in Fuller Brush Incorporated.

Steve Raistrick's old nickname of Captain has really held true. He's now the kiddies favorite--Captain Kangaroo. Strangely enough, Janet Lair is press secretary to some kangaroo.

Remember Frann Matthews? She took a business course in high school. Now she can type 298 words a minute and is happily married to an IBM Machine.

Dr. Bill Bearden is here too. Also his nurse, Judy Koehler, is with him. Judy has a really difficult job just caring for Bill since he faints at the sight of blood.

And here come Sue Plattner and Keren Herrmann. They're editors of the new national magazine, OFFBEAT.

Lynne Wilson is here. Lynne models for the "I dreamed I was" commercials. Guess it's a carry-over from old high school days when she was always dreaming about something (or someone).

Alice Jones is here from location in Hollywood. She recently finished the reproduction of "Take Care of My Little Girl" in which she played the part of Mother Apple. Sounds familiar,

doesn't it?

Arriving with Alice was Colleen Thurman, head beauty consultant at Fox Studios. Those Hi-Fashion courses paid off.

Jack and Janice Sniff are here, too. They're part of the few who stayed around Dunlap to watch it grow.

There is Steve Podgorski. He has on hunting clothes and is carrying a gun. He's a professional hunter, you know. (HE HUNTS GIRLS).

There's a group of boys who used to spend a lot of time at the Farm Restaurant. The group included: Bob Johnson, Jerry Down, Jim Carlile, Tom Cline and Joe Dunlap.

Bob Johnson is now working with the Red Cross. He is in charge of disaster areas--especially FLOODS.

Oh, remember how tall and slim Jerry Down used to be. You'd never know him now--he's a 5'3" tall; he weighs 159 pounds and he's as ballad as an Eagle (A Dunlap Eagle.)

Wasn't it Jim Carlile who was such a whiz in math in high school? I remember that he got a 28 on a Trig test during his senior year. Now he's developed the Carlile Theory of the Universe--everybody's square.

Tom Cline has turned into a regular Bob Cummings. There are five girls with him today. His friends call him "Playboy Puff."

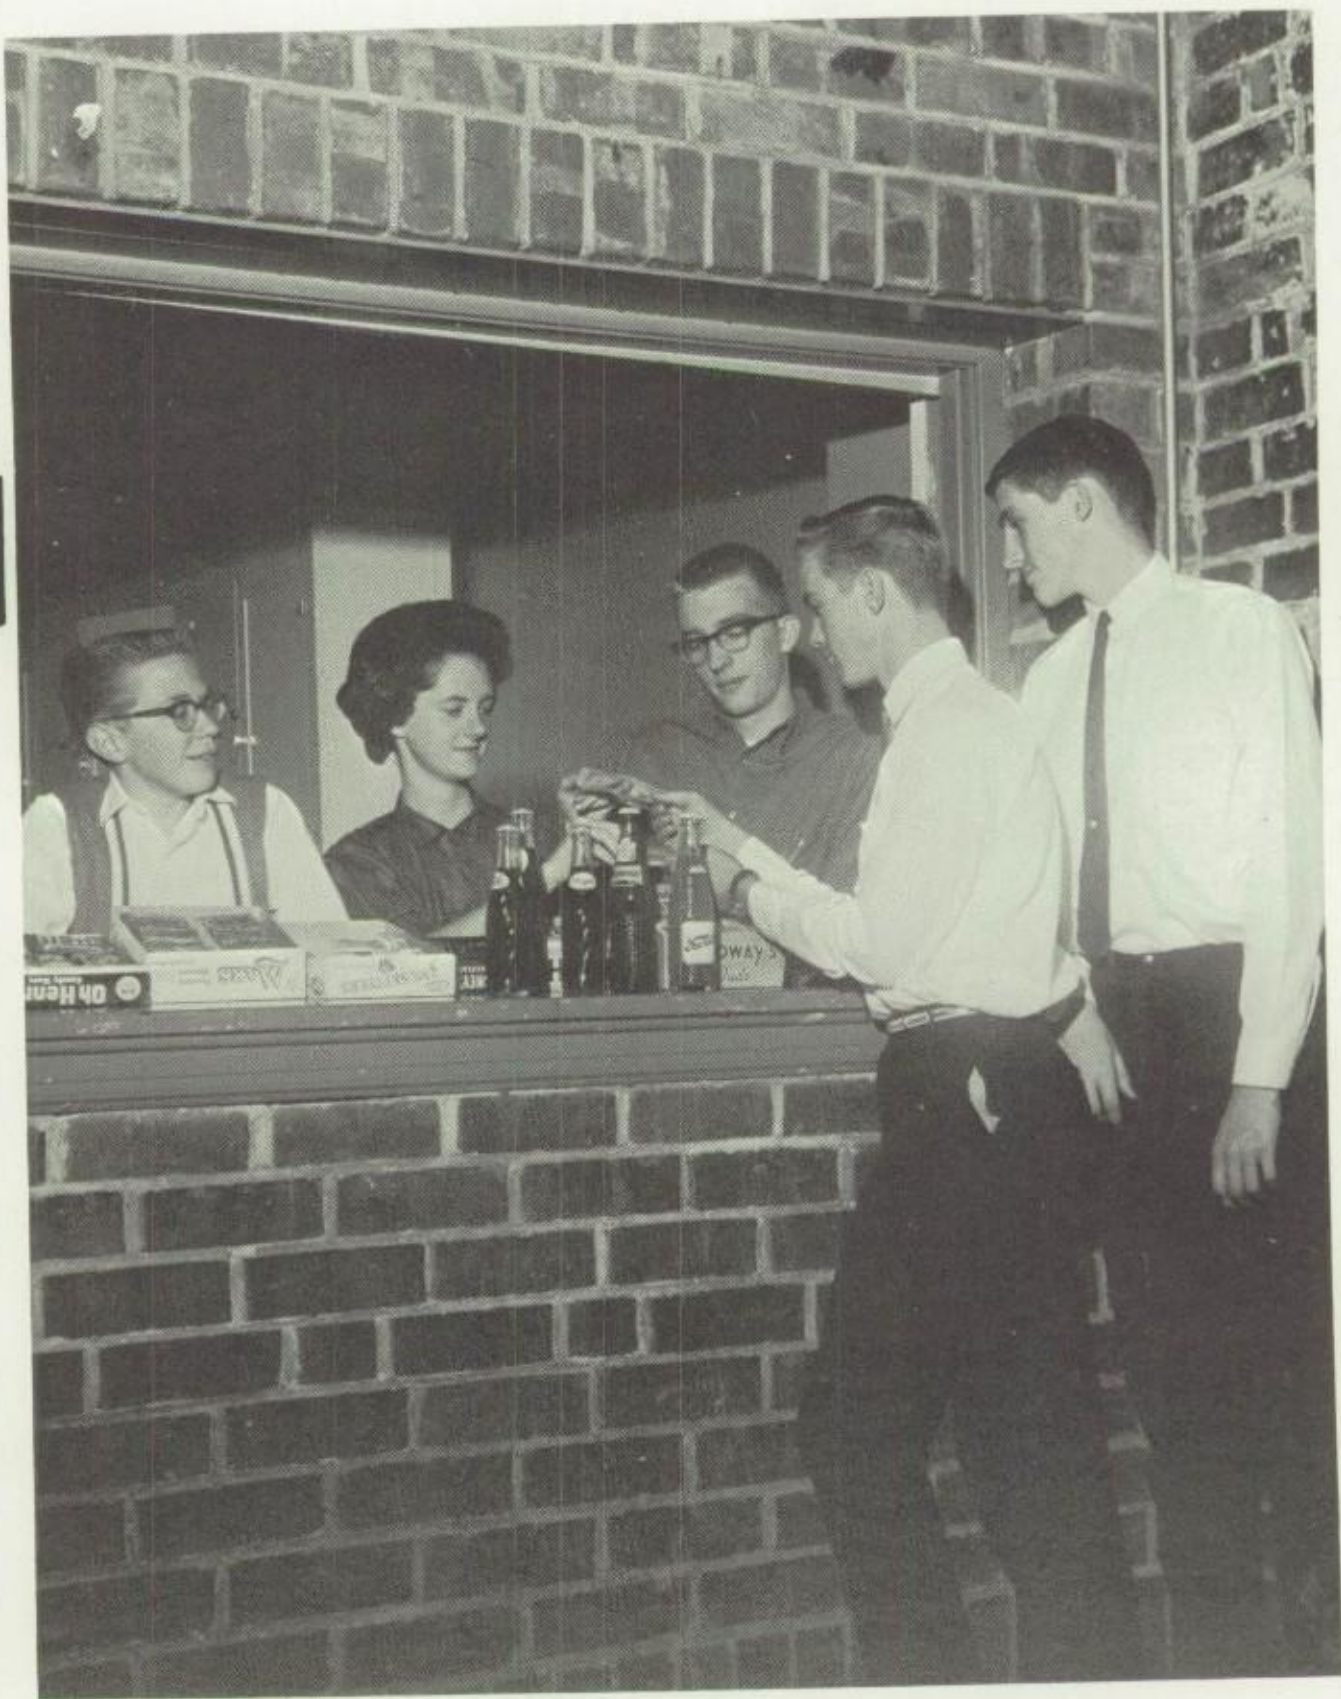

I heard old Joe Dunlap is doing well for himself. His paper route now includes Dunlap and Princeville. Congratulations, Joe.

Pat Lewis is President of the first national Girls' Athletic Association--for girls over 50. Marie McIntyre was the charter member.

Jackie Down is famous now, too. She holds the record as the world's fastest talker.

The Student Council of Dunlap High School is a representative group for the entire student body. Each class and bona fide organization has one representative on the council.

The duties of the student council this year have been numerous. The council has been in charge of student body elections. These elections include that of cheerleaders, student council president, and homecoming king and queen.

The annual Homecoming festivities were governed again this year by the Student Council. Also four excellent assembly programs were presented by the Student Council this year.

The Dunlap Student Council sent four delegates to the annual Pekin District Convention of Student Councils. We are proud also to have been a member of the Illinois Association of Student Councils.

Our officers of the past year were:

President	Patricia Senti
Vice President	Jerry Down
Secretary	Rebecca Missen
Treasurer	Julia Yoder

Assembly at Bonfire

NATIONAL HONOR SOCIETY

Membership in the National Honor Society is restricted to those pupils who have maintained a scholastic of B- throughout the first five semesters in high school. This average must be maintained during the following year or membership is permanently revoked. Membership in the Dunlap chapter of the society is now eighteen and we have every hope of increasing this number rapidly. With the aid of our sponsor, Mrs. Wipert we represent and serve our school scholastically.

OUR WORTHY SPONSOR

To Mr. Pierce, who has literally "fathered" the Eagle for the past three years, and who has turned the editors' tears to smiles through the not-so-smooth hours of making up the yearbook, we editors would like to express our deepest appreciation and gratitude.

LATIN CLUB

The Latin Club is an organized body of students who have, or are, taking Latin. The organization is under the sponsorship of Mr. Lonteen, as it has been for the past two years.

This years' activities have consisted of: a get-together party (for the purpose of getting acquainted with the new members), a Homecoming float (which won third prize), a dance, a Christmas Party, the annual Roman Banquet and a Slave Day. The Slave Day was a new activity for the club and it proved to be a very worth-while and successful activity.

The success of the Latin Club this year has been due to the excellent executive board, our capable sponsor, and eager participation of the members.

DUNLAP

DIESELS

The Dunlap Diesels Science Club, under the sponsorship of Mr. Marion Pierce, had a very active year. The club sponsored their annual dance again this year and presented a short skit as entertainment. For the first year the Dunlap Diesels entered a float in the 1962 Homecoming parade.

The club has been a member of the National Science Clubs of America and the Illinois Junior Academy of Science since its existence. The University of Illinois Engineering Open House was attended by many members and science students in the school.

The main activity of the year was the display of a few members' science projects at the County, District, and State Science Fairs. The projects shown at the Peoria County Science Fair in March were:

Rebecca Allen--2nd (outstanding)
 Linda Brunton--2nd (outstanding)
 Julie Fritz--2nd
 Nancy Oertley--Honorable mention
 Doug Nafziger--2nd

Projects shown at District Science Fair at Macomb:

CHORUS

Our Chorus this year was made up mostly from the Freshman Class. We worked on sight reading and singing the correct pitches this year so that next year we will really go to town. Our first performance was the Christmas Cantata on the 12th of December, and the evening after that we performed at the Belwood Nursing Home. We went to the State Music Contest on the 16th of March and participated in the vocal musci festival which took place on the 12th of March . . . We also had a few individual barber shop quartets which performed on various occasions.

The Dunlap Future Homemakers of America is a very proud and busy organization. They work toward their goals of becoming better citizens and homemakers. They have many activities during the year to help themselves, the school, the club, and the community. Some of their activities they have worked on this past year are: serving the FFA Sections officers a banquet; a window display at Sheridan Village, Peoria; serving the board, the teachers, and the coaches; a slumber party, daddy date night; a Chilli supper and a mother and daughter tea and style show.

ACTIVITIES

HISTORY OF DUNLAP HIGH

The story of Dunlap High School reaches many generations into history--almost to the very roots of the village's beginning itself.

There were several country school houses (then called subscription houses, because they were not supported by taxes) built around 1834 in the area surrounding Dunlap, it was not until 1877, six years after Dunlap became a legally organized village, that the first village school (our present fire house, consisting of eight grades) was built--at a cost of \$4,000. Nearly sixty years later, in 1893 the citizens of Dunlap saw a need for a more advanced level of education, and hence added two years of high school to the system which was used.

In 1931, a brick gymnasium now stands; in this structure both grade and the two year high school classes were taught. A third year high school term was added in 1905, and a second addition was added to the structure.

In 1931, a brick gymnasium--our auditorium--was built at its present site.

What we at Dunlap now call the "old building" was built in the summer of 1935 and occupied in the fall of 1935. Preceding Carroll Nafziger as Principal of Dunlap was Mr. M. H. Huffman, who came our school as Coach in 1925. In 1934, he succeeded Mr. Coriell as principal.

In the spring of 1956 the Dunlap citizens voted to expand the school building with provisions to add another story for future use.

A few interesting sidelights:

The first graduating class consisted of three graduates.

Dunlap original annual was entitled the KLIMAX, it was called the DUNLITE, and later came the title the EAGLE.

The basketball team in 1915-16 consisted of 7 players.

In 1917, under direction of Coach Merrill and Captain Colgans, the D.H.S. Basketball team lost a game to B.P.I. Academy (later named Bradley University) the score was 21-14.

According to the 1923 DUNLITE, graduation day was held in June instead of May.

In 1923, Dunlap H.S. presented an all school comic opera entitled "THE GLASS SLIPPER" (Cinderella).

The Dunlap Chapter of Future Farmers of America was started in October 1929.

In the '30's the winner of Jr. Carnival stunt shows received a large silver cup.

The Dunlap band was organized in approximately 1934. In 1938, the band consisted of 35 pieces.

In 1937, the class of 45 freshman was the largest one in Dunlap history until present day.

The Senior classes of 1936-37 gave the school its electric score board.

In 1938, the Boys' Glee Club contained more than half of the boys in the high school.

Dunlap's basketball team, the Bucketeers, captured the Kickapoo Valley League trophy in 1935-36 and 1936-37. The team's record in 1937-38 was: Won--13 Lost--7.

(Continued from page 20)

Jean Edmiston wouldn't have believed it, but her shorthand teacher's prediction came true. In 1995, her employer died and left Jean one million dollars.

Carolyn Arnett has written a new set of rules for playing volleyball. One of her rule changes is that the ball may only be hit out of bounds.

Claude White, voted philanthropist of the decade, has donated an airplane to Hazel Jones. Now she can travel more quickly to her mission in Africa.

Stan Burton now owns a fair share of Ford Motor Company. He has 52 Fords (or is it Chevys--Oh, well). Lora B. is Stan's head mechanic and she loves her job. I think she even

likes her boss.

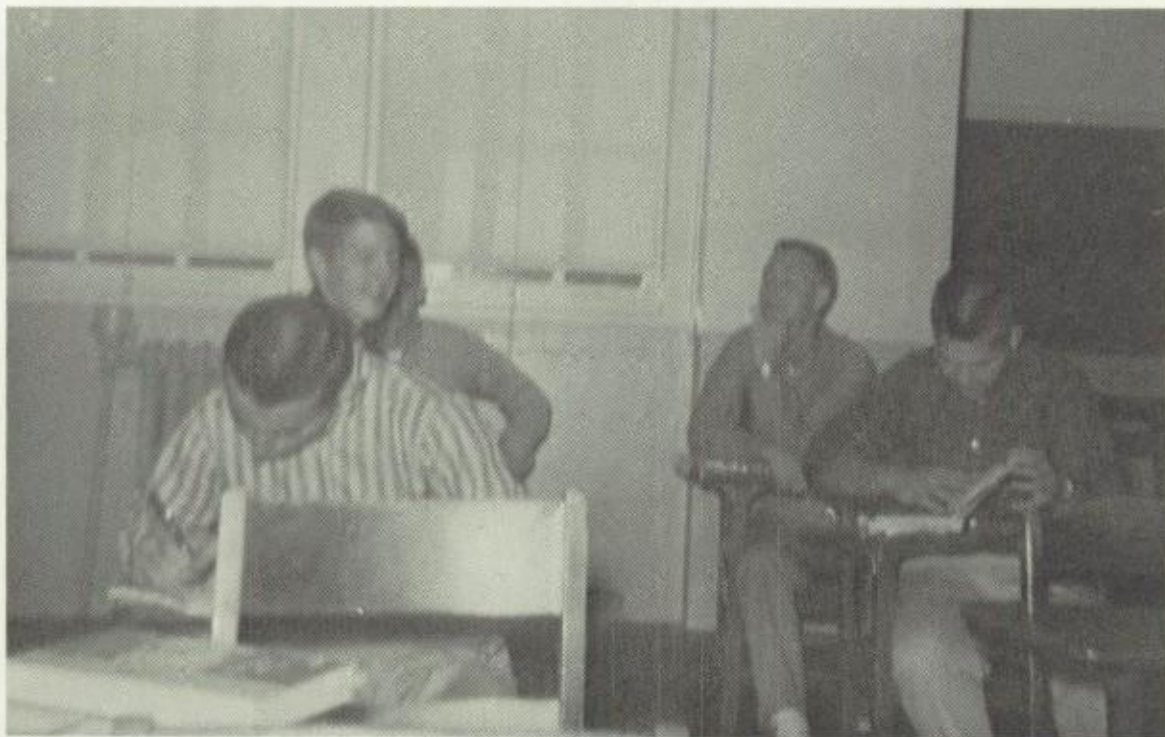

Marcia McGava is now a very famous fortune teller. Strange, isn't it. She and Pat Senti helped write the class prophecy. Oh, Pat Senti lives in a subdivision called "Rich-timber"--a bit reminiscent of her old love of RICHWOODS. I guess Margie Hart lives there too.

Finally, there's Don Baer. He built the new Dunlap High School. Maybe that's why the upper ten floors are a little lopsided.

Oh Oh!! We better move along. Here come Mr. Pardieck and Mr. Jones, our sponsors during our Senior. Somebody said they have 350 boxes of Christmas cards they want to sell.

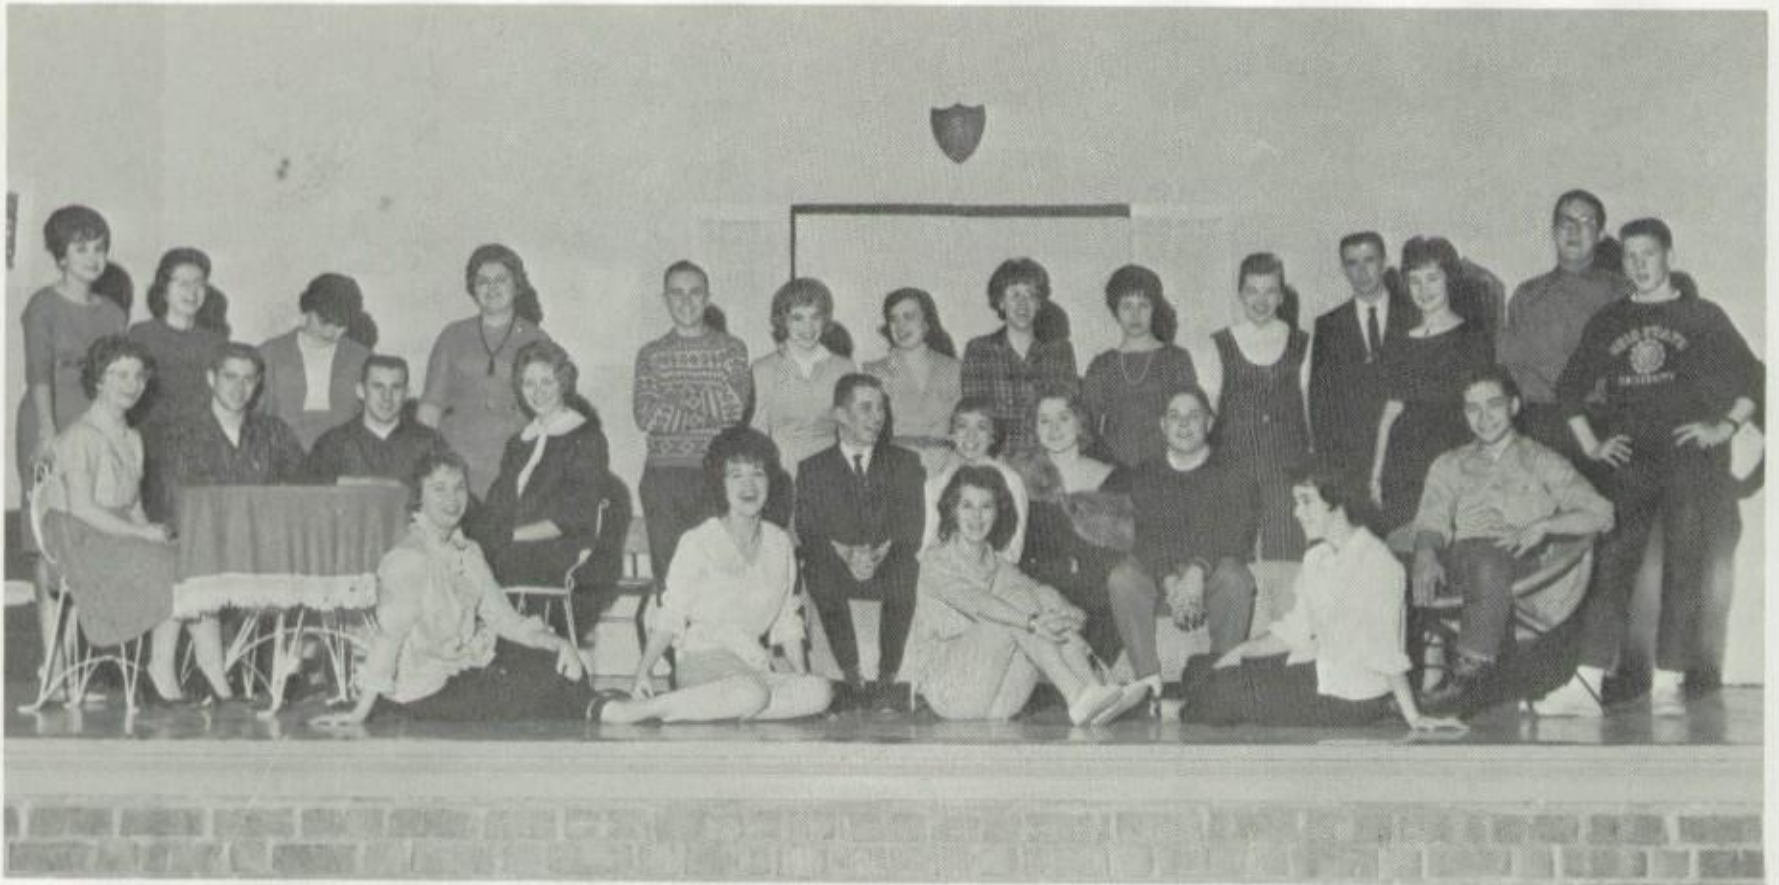

FORGET IT! WE'VE HAD ENOUGH!

The Victory Blaze

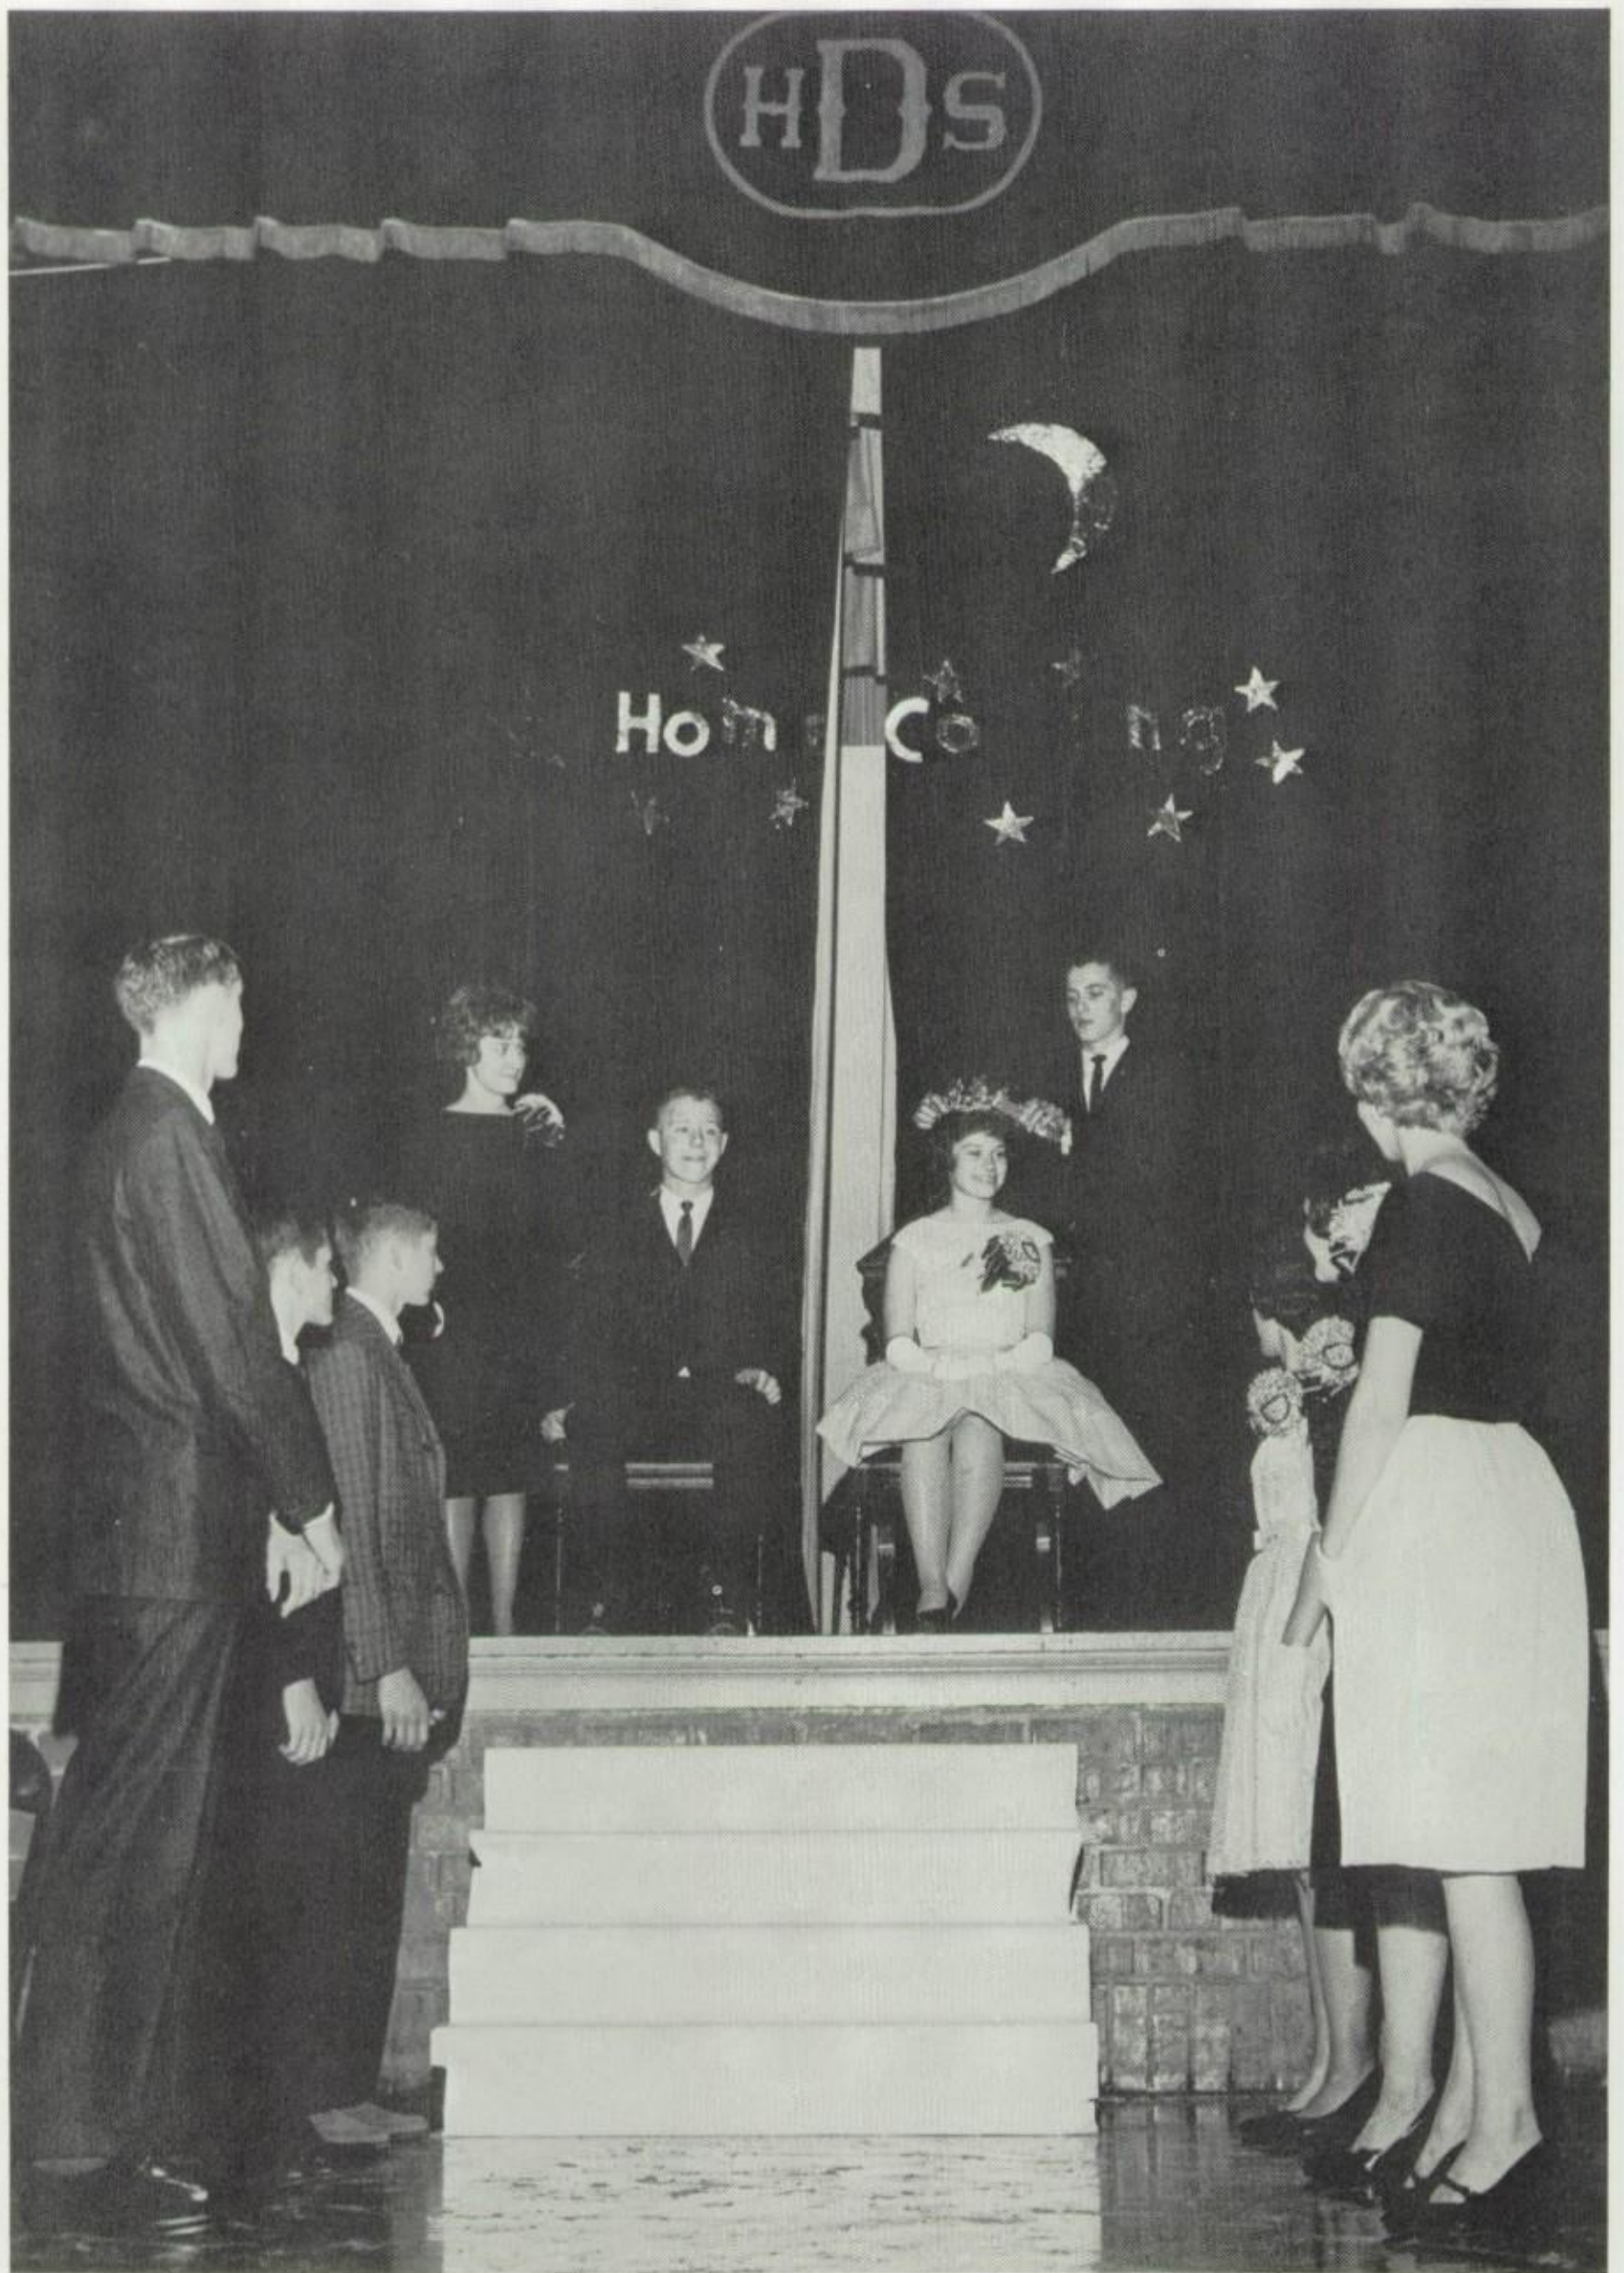

A long week, it was, of little homework, working on floats every night, and no sleep. There was the bonfire, the slow moving parade of band and floats, and convertibles carrying the candidates for royalty. All was climaxed by the game, dancing to the music of Charles Cunningham and his C Notes, and the crowning of the Homecoming King and Queen. The slow dances, the homecoming mum, graduates coming "home," and maroon and gold streamers were all part of a rainy but gala 1962 Homecoming.

Come on team, get hep! ! !

There was waltzing on a cloud of ecstasy Saturday evening, May 12, 1962, at the Junior-Senior Prom, "The Crystal Ball." The ballroom of the Bradley Student Center was an array of shimmering splendor as the couples glided to the enhancing strains of the "Gaynotes." The French doors of the room opened onto a piazza for dancing under the stars.

Royalty for the "Crystal Ball" was King Bill Weller and Queen Sue Plattner. Her Royal Majesty was given a bouquet of long stemmed crimson roses.

ATHLETICS

VARSITY

Although the Dunlap football team had a rather unsuccessful season, they showed much improvement as the season went along.

There were only two seniors on the team, Claude White and Stephen Podgorske. Lack of experience is one reason the team was held back from a successful season as there were very few lettermen back this year.

We all hope that next year's team will have a very successful.

JUNIOR VARSITY

There were four Jr. Varsity football games this past year plus two freshman football games.

Although the teams were not too successful, they showed much enthusiasm and drive for the coming seasons. We had a fine showing for both the freshmen and sophomores with many out from both classes.

We all hope that this experience they have gained will help Dunlap have a better varsity team in the coming years.

D-MEN'S CLUB

The D-Men's Club is composed of athletes who have received a major letter in either football, basketball, track, or baseball. To qualify for membership, the athlete must also maintain a "C" average or better and he may not receive any grades below a "D" on his report card. The acting members of the club must also vote the athlete into the organization.

This year the D-Men's Club is placing a Blackhawk Conference Standing Board in the gymnasium. The board contains the ten teams of the conference, placed in the order in which they stand, and each team's won and loss record.

SPRING SPORTS

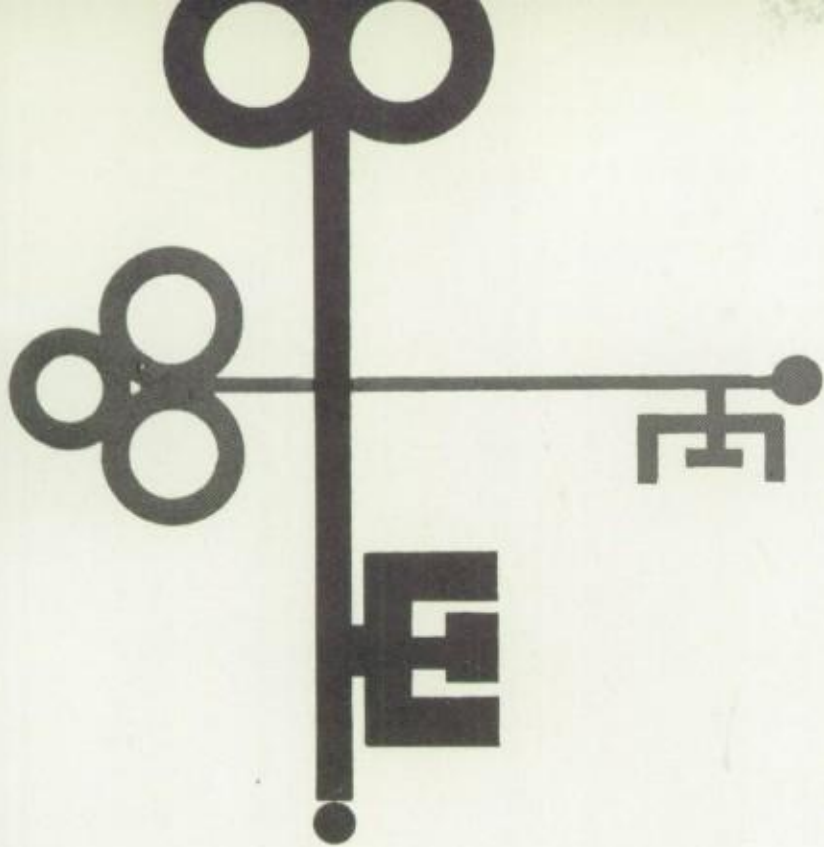

The baseball team had a fair season last spring. In conference play, it broke even, winning two games and losing two. The two victories came over Toulon and Elmwood, while the two losses were to Wyoming and Princeville.

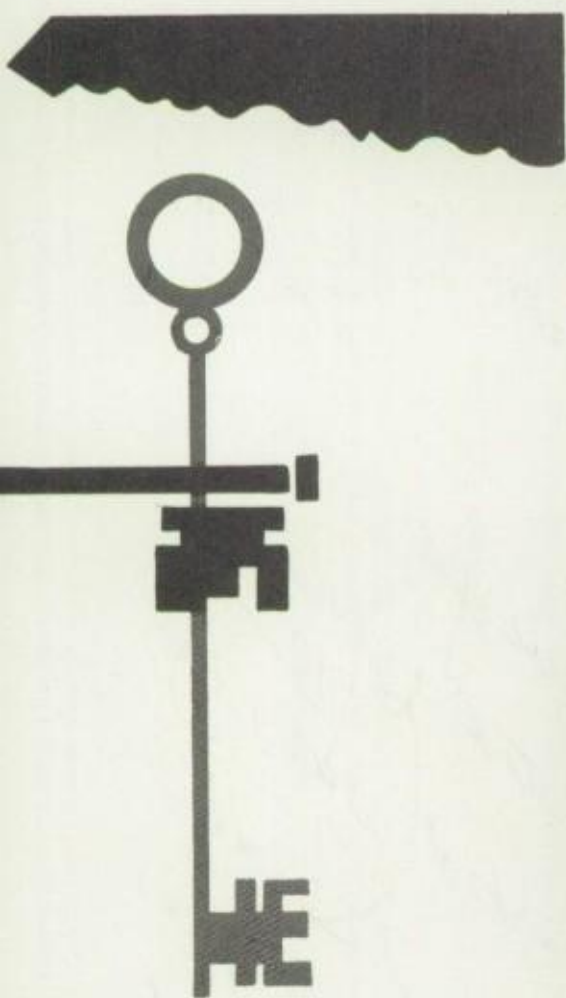

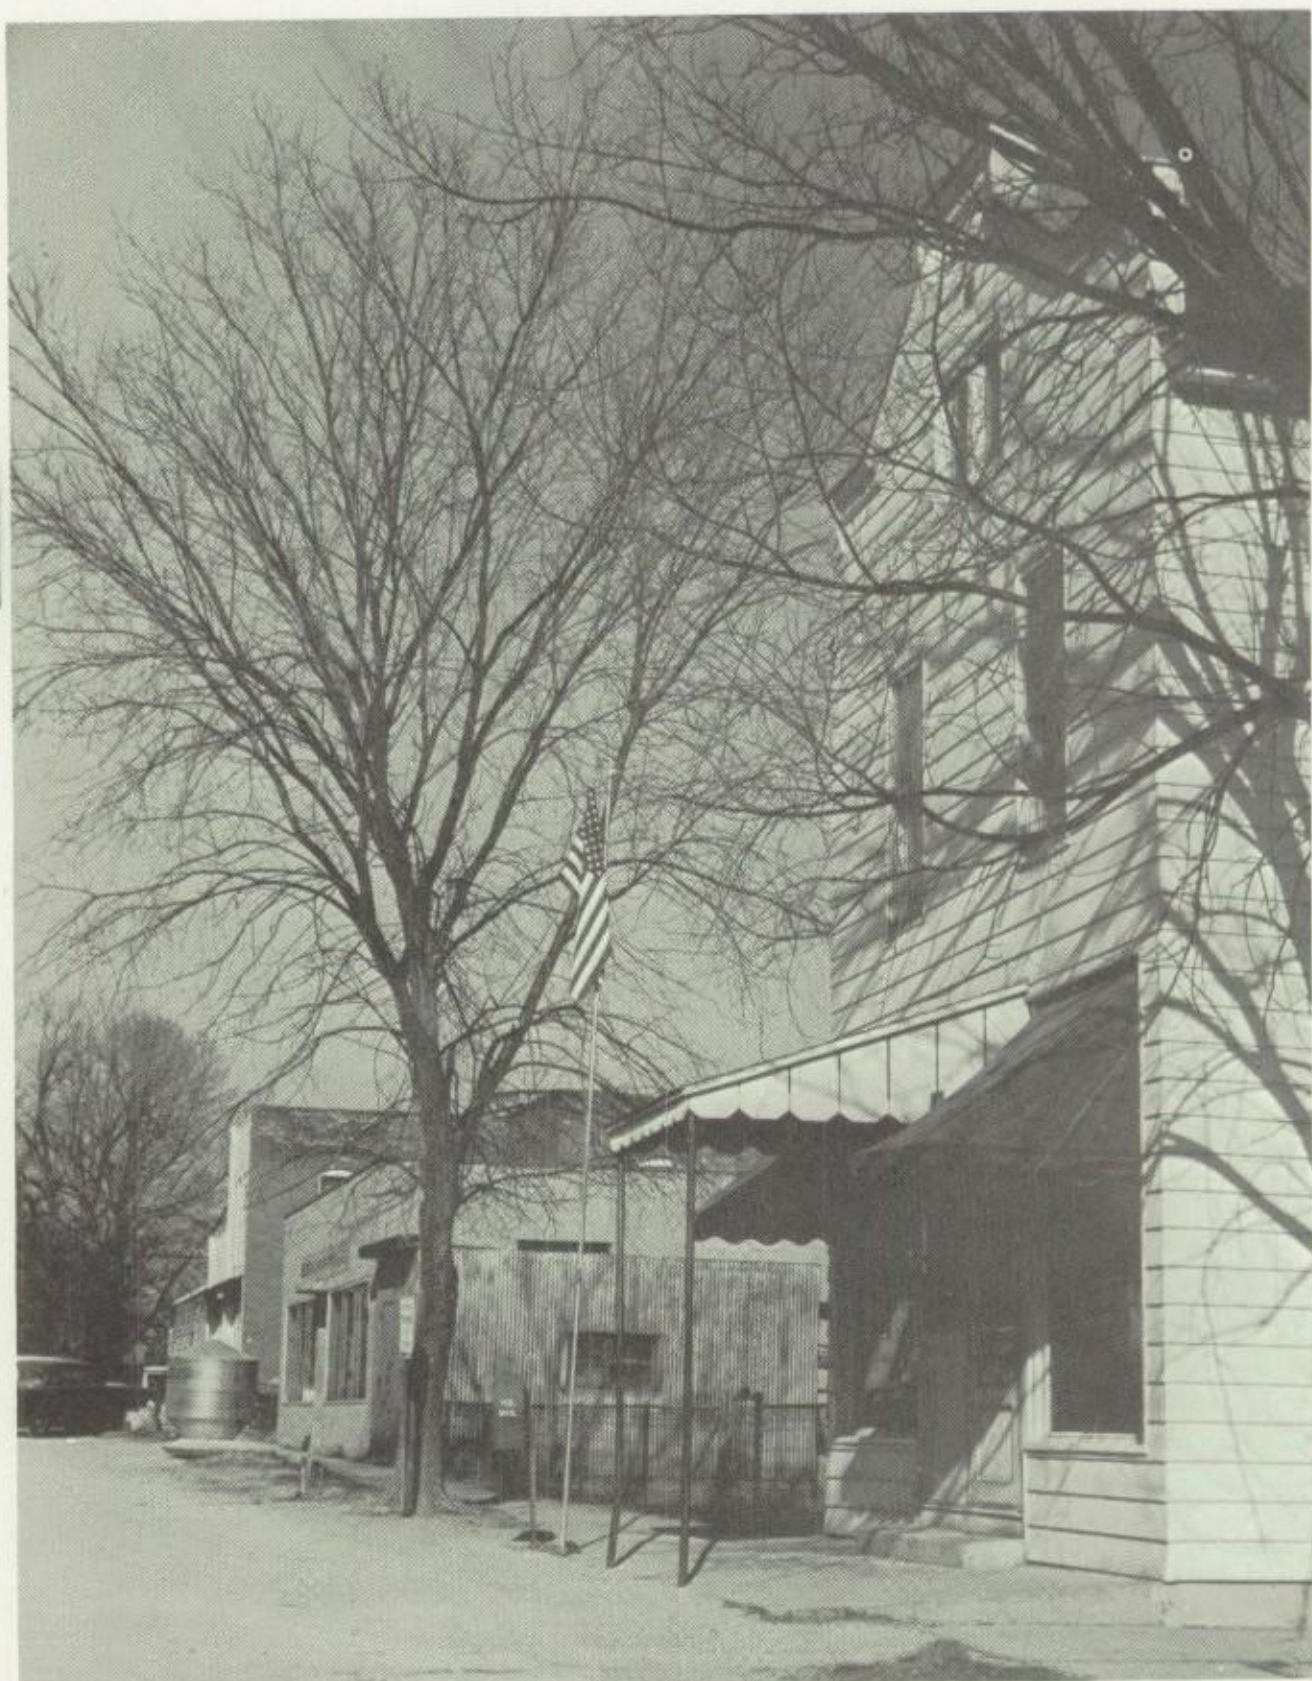

In non-conference games, the team dropped a total of four games to Princeville, Wyoming, Toulon, and Elmwood, bringing its final record to two wins and six losses.

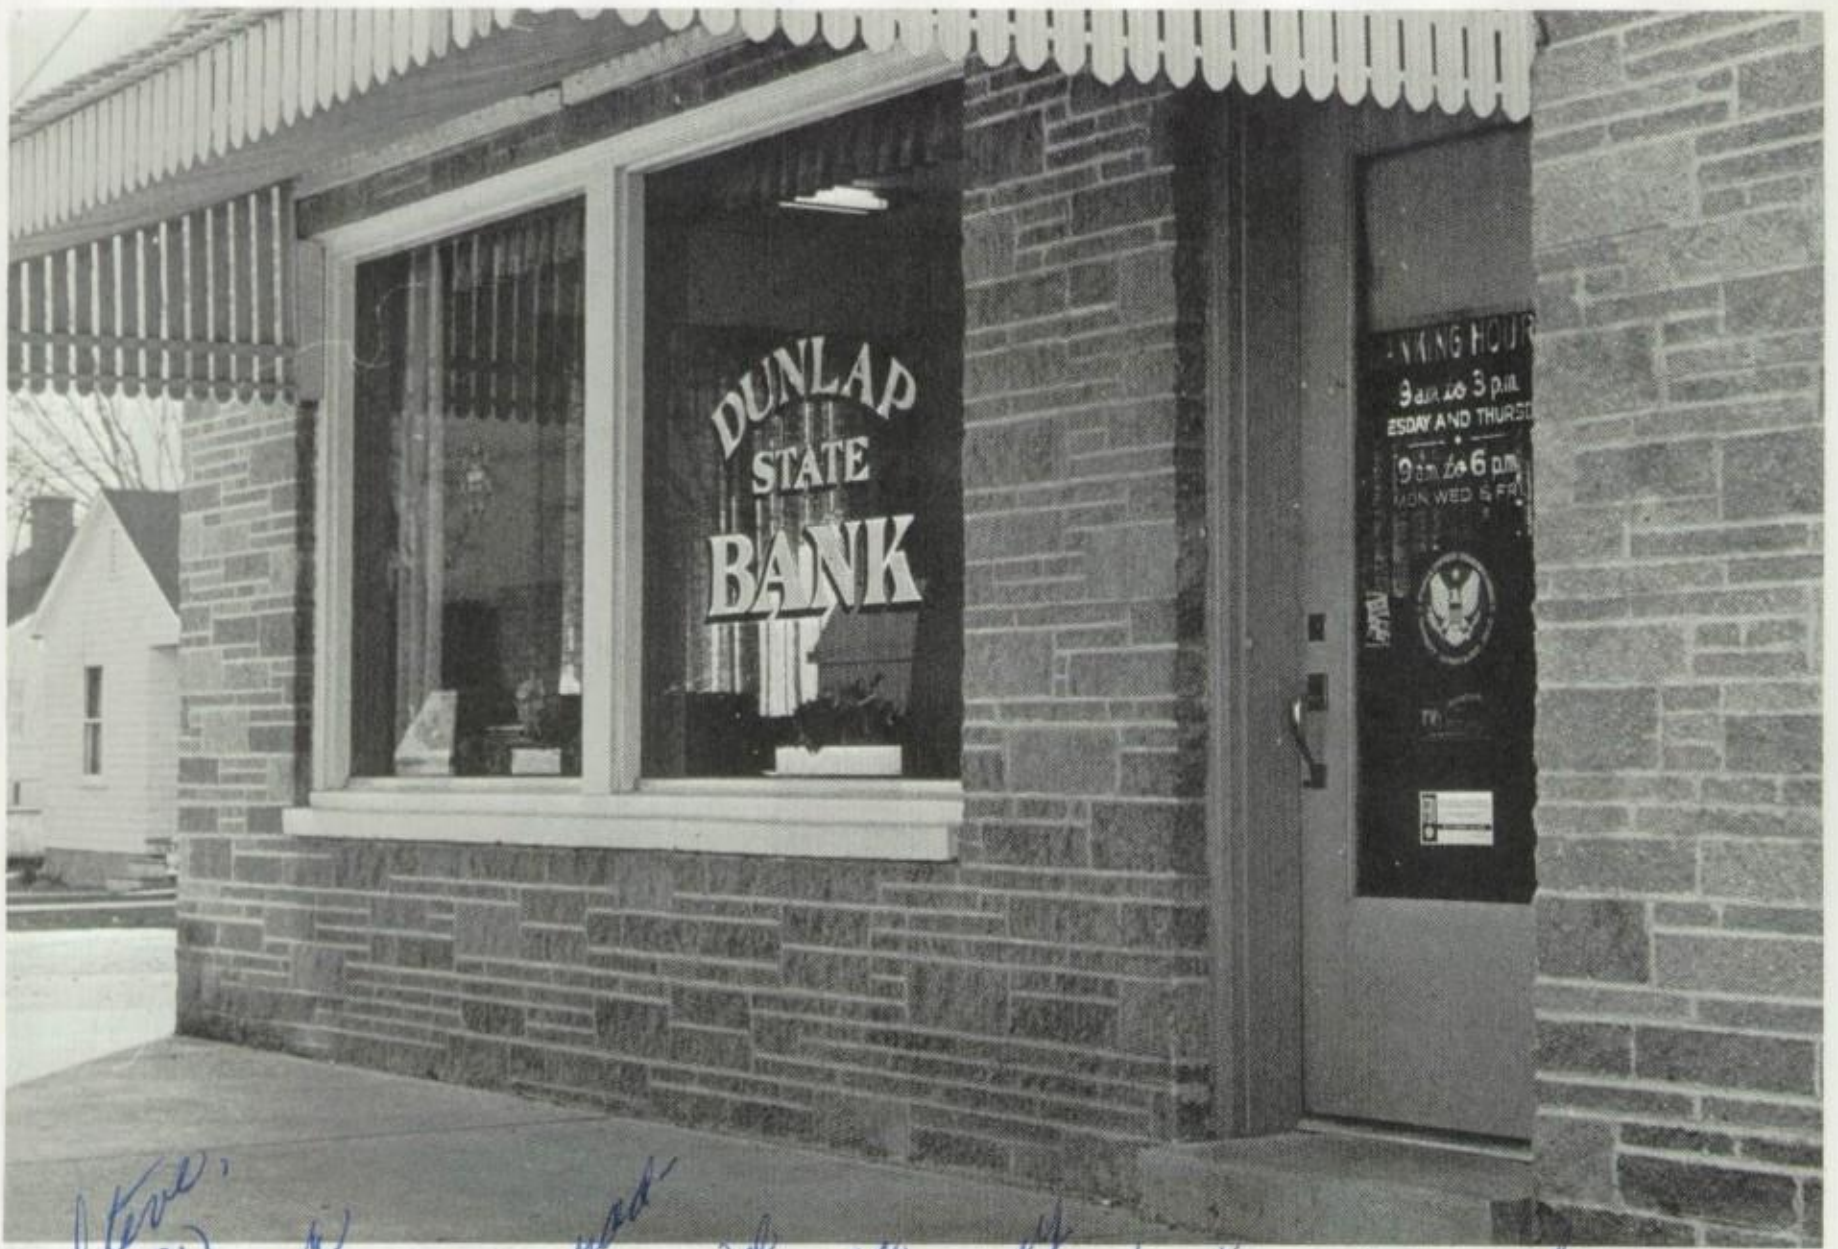

There were only two seniors who played regularly; therefore most of the boys will be back this year. With most of the team having a year's experience, we can look forward to a better season this year.

Dear Steve,
(L.V.)

This past year has gone so quickly - I'm almost sorry to graduate. I hardly thought that I'd be going to college, but then someone you've known for years can become your life. I never thought that the idiot that chased me all over grade school would be the one I'd fall in love with. In a way I'm glad you didn't try to back me out before last year, because it wouldn't have lasted; and I'm so glad they have worked out the way they have - and I do mean everything. There's nothing in our relationship that I'd remove - so if I ever talk like you know - what,

Steve,
Best wishes to a
great kid. I'll see you
this summer if you're
lucky.

Denny
Wheland.

Steve,
Best wishes to a real
nice guy. Best of luck
in all that you do.
Best wishes,

Kenny

Steve,

Good luck to a real
nice guy. I bet you're
happy to leave OHS
as I will be. I'm glad
I sat by you in Chem
(rather than J.R.) Work hard
and be successful.

Jerry Higgin

Steve,
I wish you the
best of luck next
year and I should
say thank to you
for the exciting
bus rides. Duane Riggs
P.S. my spelling needs
improving

Steve
Best of luck and
don't go and get
married after school out
Larry R.

Steve,
Best of luck always!
I've enjoyed knowing you,
especially that year we
rode the same bus. Mary Holloway

Steve,
Best wishes
in the future. I
hope you will gain
every goal you want.
Teresa Q.

Steve

Good luck in your
future year of life. We
had a lot of fun in my school,
I'll miss it (Pod)

Stephen Podgorski
(Pod)

Steve,
Lots of luck to the
greatest senior. It's
been a riot being in
Economics and the
hour (class)
Good Luck,
(the good)

Steve,
It's been a
lot of fun being
on the same bus.
I'll never be able
to forget that one
night (ha ha).
your friend,
Debbie

Debbie Jones

Don't wish
for lots of luck. Hope
an the future. I've had a lot
of fun with you in P.E. hope you
and so.

Steve
Best of luck
in the future out with
you are doing!
Dave
